

The **Bintah** Series

Carlong Publishers introduces an exciting new series of readers for the early childhood market.

They feature a delightful girl turtle named *Bintah* who is always going on fun-filled adventures. The stories are to be read to 3-5-year-old children and can generally be read at age 6 with some assistance.

The stories treat with values and attitudes early in the children's development.

The readers are packaged with separate fun books and an attractive poster that will help to emphasize the provisions of the early childhood curriculum.

Meet Bintah

Ihenyen Ejodame

Illustrated by Richard Paisley

Meet Bintah introduces Bintah, an endearing girl turtle, who lives on Spring Island.

Spring Island is located vaguely somewhere in the Caribbean. Being in the Caribbean, the island is tropical with the sea, beaches, green grasses, forests, mountains, gardens, rivers and other small bodies of water. Spring Island is a very imaginative, magical place so unusual things do happen.

We also meet Bintah's family and friends and find out what Bintah likes to eat.
